The Center for University Learning is now accepting applications for the **2017 Excel Leadership Program** scheduled from May 15th - 19th, 2017.

**What is Excel?**

The Excel Leadership Program is an extraordinary opportunity for faculty and staff to develop leadership skills and build relationships with other Kennesaw State University (KSU) colleagues. The program is a rewarding and educational experience that will give each participant a sense of their value as a leader at Kennesaw State University.

Participants will gain knowledge of KSU’s organizational structure, strategic goals, and mission as well as be exposed to leadership roles and operations at the University System Office and State Capitol.

Program highlights include:

- Leadership and Service Project Planning
- Teambuilding
- Exploring leadership styles
- Visit with University System Leadership
- State Capitol visit with State Representative
- Cohort-led service project
